## Why WACTE and ACTE are important to you...

**WACTE** is the professional organization that serves all Wisconsin career & technical educators

**WACTE** sponsors an annual professional development conference for career & technical education professionals

**WACTE** provides professional development and leadership training for administrators, teachers, counselors and support staff

**WACTE** acts as a legislative voice for career & technical education at the local, state and national levels

**WACTE** publishes electronic newsletters to keep you informed about local, state and national issues

**WACTE** provides a forum for secondary, post-secondary, youth apprenticeship, school to work, tech prep and professional development to collectively address career & technical education

**WACTE** interacts with community, government, business and industrial labor leaders

**WACTE** is affiliated with the Association for Career & Technical Education

**WACTE and ACTE** provide opportunities for growth through leadership training

**WACTE and ACTE** recognize outstanding contributions to career & technical education through annual scholarships and awards programs

**WACTE and ACTE** provide opportunities for involvement to members through committee participation, leadership development, professional networking and technical training

**ACTE** is the leading legislative voice for career & technical education in Washington, D.C.

**ACTE's** "Techniques" magazine provides information on the legislative and technical developments in career and technical education

**ACTE** sponsors an annual convention with nationally known speakers and a trade show

**WACTE, ACTE and Local Associations  
provide opportunities for  
leadership and professional development!**
