Our Focus

WACTE is the professional organization that serves all Wisconsin career & technical educators, administrators and support professionals.

WACTE sponsors an annual professional development conference for career & technical education professionals.

WACTE provides professional development and leadership training for administrators, teachers, counselors and support staff.

WACTE acts as a legislative voice for career & technical education at the local, state and national levels.

WACTE publishes electronic newsletters to keep you informed about local, state and national issues.

WACTE provides a forum for secondary, post-secondary, youth apprenticeship, school to work, tech prep and professional development to collectively address career & technical education.

WACTE interacts with community, government, business and industrial labor leaders.

WACTE provides opportunities for growth through leadership training.

WACTE recognizes outstanding contributions to career & technical education through annual scholarships and awards programs.

WACTE provides opportunities for involvement to members through committee participation, leadership development, professional networking and technical training.

WACTE is associated with the Association for Career and Technical Education, the nation's most prominent advocacy group for career and technical education.

Coming together to promote Career & Technical Education for our students!
