

An Easy Resolution to Keep

Best wishes for a happy and prosperous New Year from your friends and colleagues at the Wisconsin Association for Career and Technical Education (WACTE).

Even though the new year is only a couple of weeks old, many of us are already looking back over our respective shoulders because of the quaint custom of "New Year's resolutions" (i.e. "okay, just what was it I promised to do in 2012?"). And, if you are like the rest of us, you probably made some professional resolutions along with your personal resolutions (e.g. completing certification requirements, professional development, continuing education, networking with colleagues, etc.)

That's where your professional association - WACTE - can help you! This year's conference - **"The Spirit of '76: Exploring New Horizons" in Appleton, Wisconsin on April 19-20, 2012-** will help you meet (and exceed) the promises you made in your professional New Year's resolutions.

Indeed, its unprecedented agenda includes multiple breakout sessions in each of the following areas: (1) Career Pathways and CTE Partnerships; (2) Legislative, Political & Economic Issues Affecting CTE; (3) Best Practices in CTE Instruction; (4) Issues in CTE Administration and Information Technology; and (5) Health, Wellness & Life Transitions for the CTE Professional. Clearly, **there is something for everyone at our 2012 Conference.**

You can print a complete conference brochure/agenda and also lock in the lowest possible registration rate RIGHT NOW by going www.wacteonline.org and forwarding a registration form and registration fee to us this month. Remember, if you use snail mail, our new office address is 2307 Parmenter Street, Middleton, WI 53562. **DON'T WAIT TO REGISTER - the deadline for the "early bird rate" expires shortly!**

Again, best wishes for continued success in 2012! **See you in Appleton in April!**
