

We need to continue to educate our state legislators on the important role that CTE plays in today's economy. You have an opportunity to do that on February 21<sup>st</sup> in Madison by participating in the WACTE Legislative seminar at Madison College - Downtown Education Center. After the seminar, there will be time in the afternoon for you and your colleagues to meet with your state legislators and share your stories. Take advantage of this WACTE sponsored event to learn more about what is happening in Madison and at the federal level!

Just go to the website for the Legislative Seminar agenda and registration information.

[www.wacteonline.org](http://www.wacteonline.org) The registration deadline is February 6<sup>th</sup>!

We look forward to seeing you and your team in Madison on February 21<sup>st</sup>. Now is the time to join with other CTE representatives from around the State to share the impact that CTE has in your community.

Thanks,

Joe Flackey and Stephanie Sklba  
WACTE Legislative Committee, Co-Chairs
