

There is still time to register for the WACTE Legislative Seminar on Tuesday, February 21<sup>st</sup> in Madison.

This is an opportunity to hear from state and national leaders regarding CTE funding and initiatives, along with participating in panel discussions with state legislators and students.

Please take the time now to gather a team and register now to ensure a place at this important event. In today's political environment, we need to continually remind our state legislators of the important role that CTE plays in assisting Wisconsin during these difficult economic times.

Visit the WACTE website for the agenda, housing and registration information.
