WACTE AWARDS PROGRAM

Overview

The Wisconsin Association for Career and Technical Education Awards Program seeks to promote excellence by recognizing individuals, companies, and organizations that have made contributions to promote and expand career and technical education in Wisconsin.

WACTE Awards include:

Local of the Year
Longevity Award
Outstanding Support Professional
Outstanding CTE Leader
Outstanding Instructor
New Instructor
Lifetime Achievement Award
Outstanding Member - Community Involvement

An award recipient must wait at least three (3) years before being nominated again in the same category.

All 2010 awards will be presented at the WACTE's Annual Conference April 22-23, 2010 in Appleton, WI.

The following state award recipients may be eligible for ACTE recognition:

Outstanding CTE Leader
New Instructor
Outstanding Instructor

An award committee member nominated for recognition will withdraw from that year's awards committee activities.

Since the WACTE Awards Program has been simplified and ACTE qualifications differ from WACTE qualifications, state award recipients may be required to redo their packets to qualify for ACTE awards.

The Awards Committee Chair will review the criteria with the state recipients after the annual awards program.

Detailed information about the awards program, application procedures, and appropriate forms are contained in this handbook.

For further information, contact JoAnn Giese-Kent, WACTE Awards Committee Chair, at jgkent@excel.net.

For previous award recipients, visit the WACTE web site at www.wacteonline.org.

The nomination packets must **be received** at the WACTE office no later than **January 25, 2010**.

LOCAL AWARDS COMMITTEE

Suggested Timeline for 2009-2010

May 2009

- Select an awards committee chairperson and committee members. Include at least one continuing and one new member on the committee.
- Hold a yearbook committee meeting and update any information.

September

- Contact your membership chairperson to obtain a current membership list.
- Hold an awards committee meeting to discuss the task of the committee, so that everyone feels committed and is anxious to be involved.
- Plan to start nominations at the start of the school year.
- Create an invitation for award nominations (Refer to award categories.)

October

- Solicit award nominations; encourage members to nominate colleagues. Use inspiring emails, table tents, posters, etc. (2-week timeline suggested)
- **Encourage program faculty and administrators to nominate and recognize local businesses for their contributions to your College and to Career and Technical Education locally. The business awards (formerly Greiber Awards) have now been moved to the Local level (not WACTE level) to enhance support and recognition from the stakeholders most involved.**
- Encourage members to nominate themselves for Longevity (formerly Hambrecht) awards (25 years in technical education).
- Check employment history for all nominees to be sure they are eligible and hold the necessary membership requirements.
- Send a "Thank You" to each person who nominated a candidate.
- Congratulate each person nominated. With your congratulations, include a few basic questions needed from the nominee for local award selection. Keep this simple and have a reasonable time limit for completion (1 week).

November

- Hold a committee meeting to select local award recipients.
- Assign an award committee member, or volunteer, to assist each candidate. Be sure that each member is aware of the proper procedures, as outlined in the WACTE Awards Handbook. Make copies of appropriate pages from the handbook to give to each candidate to use as a guide when preparing a portfolio.
- Meet (committee members) with award candidates to explain what needs to be accomplished, format needed and the timeline. Committee members should assess progress and offer their assistance in helping candidates meet their goals.
- Suggest that awardees request their letters of support as soon as possible.
- Assign a committee member to schedule a photo day (note requirements).
- Set a date that draft portfolios are due for review by the Local committee.

December/January

- Publicly congratulate local award recipients.
- Review award portfolios and suggest any additions or changes.
- Complete procedures for mailing: Make copies, label photos, etc.
- **Mail portfolios to the WACTE office in Madison by January 18th to ensure delivery by January 25, 2010.**
- Thank everyone who assisted and plan a recognition/celebration event!

PLANNING A CELEBRATION EVENT

Suggestions for 2009-2010

Once Local award candidates have been selected, it is time to begin planning a recognition/celebration event. This event might be held during inservice days in January (possible luncheon), in conjunction with February Career and Technical Education Month (kick-off breakfast), or at any time that seems appropriate for your Local.

A recognition event provides a wonderful opportunity for colleagues to celebrate; it provides an opportune time to involve others in Local and state (WACTE) activities, and it provides an excellent opportunity for recognition/partnership throughout the community.

Below are some suggestions for planning a recognition event.

- Hold an Awards Committee meeting to outline a plan for the event (Ask members to volunteer for various duties.).
- Set a date and time for the celebration.
- Reserve a room/location.
- Confirm a menu and price.
- Publicize with an "All Staff" email, posters and an article for news release.
- Send invitations to, Professional Excellence and Longevity award recipients. If your Local has dues, it might be possible to offer complimentary tickets to the award recipients, but ask that awardees RSVP.
- Invite your college president/principal, board members and retirees.
- Ask award recipients to identify individuals to introduce them at the event; contact those who are giving introductions to thank them, and suggest a time limit.
- Design and print tickets.
- Assign a contact for selling tickets (Cashier's office).
- Plan a program order; print programs.
- Send complimentary tickets to awardees.
- Ask a Yearbook Committee member to take photos.
- Order a podium & PA system for the event.
- Continue to publicize; **be sure everyone is invited.**

Final Touches:

- Send a thank-you to the caterer and others.
- Finalize cost with the cashier.
- Write an article for the Local newspaper.
- Make a note of additional details for another year.
